BE AMAZED BY NATURAL CLEAN LINES
COMPLEMENTED BY FLOWING SPACES

Blending seamlessness with the interplay of water against natural stone, The Whitley Residences emerges as a stunning architectural masterpiece and a mesmerizing statement in strata landed homes that draws inspiration from the fluid geometries of water in motion.

BASK IN NATURE AND ITS CHARM
AND REWARD YOUR SENSES

A harmonious union of fluidity gently intertwined with natural solid elements evokes a complete sense of acute balance, exuding a perfect setting of peace and serenity.

DELIGHT IN THE HEIGHTS OF LUXURY AND
TAKE ADVANTAGE OF ALL IT HAS TO OFFER

Artist's Impression

The therapeutic blend of stillness and ripples from an assortment of waterscapes alongside natural pathways pave the way to an unmatched tranquility, a luxurious haven to retreat home daily and unwind after a day of fast paced bustle.

Fifty eight 2-storey semi-detached houses and three 2-storey terrace houses with attics are thoughtfully designed to enjoy the beauty of this private enclave. Selected units enjoy a seamless stretch of personal water decks for a relaxing soak or wider stretches for a more vigorous swim. The community is also served by a 2-storey clubhouse which comes equipped with a multi-purpose room, a gymnasium and outdoor fitness area for a bout of exercise, complete with male & female changing rooms with steam room and handicap toilet. A cozy landscape creates space for a playground where families and children can bond over and niche alcoves for those who prefer personal quiet respite.
